Highlights:

Porcelain stovetop is firm on durability and fast on clean-up

Superior construction of resilient white porcelain and enamel steel looks great in any kitchen

Fully featured to make cooking stress-free

Product Features:

Porcelain stovetop	Durable surface is easy to clean and looks great with or without food on top
Glass oven window door	Monitor your baking through a clear window fitted with heavy duty oven hinges
Six sealed burners	For large scale cooking, take advantage of four burners with a high 9000 BTU capacity for faster and stronger heating. Range also includes two standard 6000 BTU burners for more common jobs
Cast iron grates	These solid iron grates can easily support high temperature and heavy weight
Digital clock and timer	Put your energy into cooking, not counting, with these useful digital features
Broiler compartment	Broil food in a separate bottom section with heat that spreads evenly from the top down
Oven light	Watch your pies brown with the convenient interior light
Electronic ignition	No gas is released until you turn your range on
Backguard	High backing prevents stovetop contents from splashing up or boiling over and staining walls
