

# SCFI495

80.25" x 56.63" x 30.63" (H x W x D)

DISCONTINUED: Replaced by SCFF496

### Highlights:

Complete construction in durable, easy-to-clean 304 grade stainless steel

Self-closing reduces energy consumption

Digital thermostat with external readout for easy and accurate temperature control

### Product Features:

|                                       |  |
|---------------------------------------|--|
| Complete stainless steel construction | 304 grade stainless is simple to clean and built to last   |
| Commercially approved                 | NSF Approved to Standard 7   |
| Frost-free operation                  | Let your appliance do the work with a timer defrost heater that continuously keeps ice from forming inside |
| Self-closing doors                    | Closes to save energy but will remain open when the door is opened at a 90° angle                          |
| 6 inch casters                        | Self-locking casters for portability and more sanitary cleanup   |
| Adjustable shelves                    | Slide-out shelves can sit on any level inside the refrigerator   |
| Digital thermostat                    | Easy push buttons and an external temperature readout for precise temperature management                   |
| Front-mounted lock                    | Keep contents secure with a key lock on each door  |
| Interior light                        | Automatically illuminates when you open the door   |
