

CR2220WH

3.38" x 11.88" x 19.7" (H x W x D)

230V two-burner cooktop in white ceramic glass, made in Europe

Highlights:

- Two-burner electric cooktop with 230V operation
- Smooth white ceramic glass surface offers easy cleanup and modern style
- Includes push-to-turn knobs and heat indicator light for safer use

Product Features:

Smooth white surface made from Eurokera glass	Easy cleanup and elegant style on a smooth ceramic glass surface
Two heating elements	2 1200W burners, each with 6" diameter and manufactured for SUMMIT by E.G.O. of Germany, considered by many to be the finest in the world
Push-to-turn controls	Prevents accidents by requiring a small amount of force to turn on cooktop heat
Residual heat indicator light	Indicates when surface is still hot to touch
Designed for built-in installation	Fits counter cutout sizes that are 11 1/8" wide by 19 1/8" deep
ADA compliant design	Upfront controls and easy-to-operate knobs offer easier accessibility

Technical drawings of the Summit 1934-1935 refrigerator, showing top and front views with dimensions.
